

Ideal-Mate Review

Ideal-Mate Review, size A5.

Editor: Eugene Albert, Long Beach, CA, U.S.A.

Condition: used but good. Many magazines have 2 small holes on the left edge which has been previously used for a handicraft binding, but this does not affect at all the general good condition. Some small ticks in ink and/or underlines in color may appear, mainly for the names of Romanian composers. Minor spots may seldom appear.
